# Letter of Introduction

This assignment is designed for you to formally introduce yourself and for me to informally assess your writing. I have many students; therefore, this is my opportunity to get to know you as a student and as a person. Below is a list of suggested topics that you may want to include in your letter. You are more than welcome to include more/other information that you feel I need to know about you. Your letter **MUST BE** a minimum of 500 words-so be descriptive and elaborate!!!!

- Tell me about your family. Who do you live with? Is there anything interesting about your family?
- What things are important to you? Do you have any hobbies? How or why did you start?
- What was your best subject last year and why? Who was your favorite teacher and why?
- Is there anything you would change about last year? Behavior? Friends? Decisions?
- What are your goals for this school year? How will you achieve this goal? How your teachers help if they can?
- What do you expect from me as your English teacher?
- What can I expect from you as a student this year?
- You may also include any information that you want me to know.
- Describe an experience that has shaped your attitude about English. This can be good or bad, but make sure you think of a specific example.
- Describe a success that you have had. This can be ANY success, even if it may not seem like big deal to someone else. Please include how you felt about it.
- Explain what your FAVORITE thing is about English and why. Think hard; I want each of you to have at least one.

Make sure your writing is properly organized.
